WESTINGHOUSE N-VISION ANNOUNCES 2009/2010 WINNERS OF BRIGHTER FUTURE GRANT PROGRAM

- *Five middle and high schools selected*
- *Projects will promote science, technology and mathematics skills*

PITTSBURGH (October, 22, 2009) - Westinghouse Electric Company today announced the 2009/2010 winners of its N-Visioning a Brighter Future grant program, which awards funding to middle and high schools for creative, hands-on projects.

Administered by the company's speakers bureau, N-Vision, the grant program is designed to encourage both teachers and students to develop projects based on energy, math, science or technology. The competition is open to all middle and high schools where Westinghouse has a presence.

Five schools are awarded \$1,000 each to carry out their proposed projects. Winners of the 2009/2010 grants are:

- **Aquinas Academy, Greensburg, PA**
- **McKeesport High School, McKeesport, PA**
- **Highlands Middle School, Natrona Heights, PA**
- **James J. Ferris High School, Jersey City, NJ**
- **Bethel Park High School, Bethel Park, PA**

Westinghouse, a group company of Toshiba Corporation, is the world's pioneering nuclear power company and is a leading supplier of nuclear plant products and technologies to utilities throughout the world. Westinghouse technology today is the basis for approximately one-half of the world's operating nuclear plants.
