Welcome Package

Welcome to Westinghouse’s Chattanooga facility for nuclear services excellence. This package provides basic facility information for your arrival.

All Visitors will be required to sign in upon arrival as you meet with your Westinghouse representatives. Typically, visitors will report to the main entrance in Building 1 to meet their representatives, unless other arrangements have been confirmed. Many of our Westinghouse personnel reside in Building 2, which is our main office. The office complex is located inside the security gates and behind Building 1, which houses our BWR Training/Service Center.

Please maintain situational awareness including obeying all posted signage during your visit and/or training session. Westinghouse personnel or instructors will supply hardhats, safety glasses, gloves and hearing protection as required during your visit. Safety glasses are required at all times in building (#1) Service Center high bay. If you are scheduled to participate in one of our multiple training sessions, please bring the appropriate safety shoes with you. Smoking is permitted only in designated outside areas located on the facility property.

Should you identify safety concerns please contact Ronald Cooper or Kevin Lockler

Westinghouse Access Process for entering Chattanooga Security/Access check point –
All Westinghouse badged personnel must update their photo badge to include Chattanooga Site Access. This will allow all normal business hour doors and security gate access upon your arrival to site.

All Non-Chattanooga Office or Non-Full Time Personnel –
All Non-Chattanooga badged personnel (employees, contractors, or visitors) must have WEC Manager Approval for accessing site.
All Non-badged personnel must have their information turned into security command center by the WEC approving/sponsoring manager. All non-badged personnel must pull up to our gate access checkpoint and push the talk button on the speaker to contact site access team member. Site access will confirm your name on the expected arrival list, provide directions to where you will need to go to sign in for your visit, and then open gate for you to process through. As you pull forward through the access gate, please obey the speed limit (10 mph) and proceed to sign in location provided to you. (Building 1 or Building 2).
PLEASE adhere to all site communications and directions during your visit to Chattanooga Training/Service Center.

These phone numbers may be helpful during your visit,

**Caution Note -**

**Yellow Lines** above identify areas of where semi-truck and trailers park along the side of the road (either side and/or including center lane). Please be prepared to stop as personnel may be out of their trucks preparing for unloading or loading at LJT Steel Distributors. All trucking personnel are to be wearing bright reflective vest but we have noted that this is not always the case. Please watch for personnel working in and around all trucks. (24/7).

**Pink Lines** above identifies the Tennessee River Walk; this path is a walking / running & biking area that extends from the south side of downtown all the way to the Chickamauga Dam. (approx. 15 miles). This area remains very active through all seasons and all times of the day. Please be aware of your surroundings and watch out for walkers, runners, & bicyclist at this crossing.
